Faculty of Geosciences and Civil Engineering, Kanazawa University

“Faculty Position”
Associate Professor of Faculty of Geosciences and Civil Engineering
Institute of Science and Engineering, Kanazawa University
(Application deadline: January 12 2021)

1. Position and areas
The Faculty of Geosciences and Civil Engineering at Kanazawa University invites applications for one position as an Associate Professor in Geotechnical Engineering. Candidates from a variety of relevant research specializations are invited to apply. Priority areas are as follows; Geotechnical engineering, Soil mechanics, Geotechnical disaster mitigation, Earthquake geotechnical engineering. If the applicant is employed, he/she will be involved also in a research group on "Construction of resilient infrastructures against risks of unexperienced natural disasters" formed in Faculty of Geosciences and Civil Engineering.

2. Employment status
A full-time associate professor. No special limit on term.

3. Salary
Annual salary system is applied.

4. Qualifications
Candidates must meet the following requirements.
(1) They must hold a PhD degree.
(2) They have demonstrated strong leadership and commitment to teaching and research in the academic environment.
(3) For the sake of teaching at the undergraduate level, they must be able to communicate also in Japanese as well as in English.

5. Appointment date
October 1st, 2021 or the earliest date thereafter.

6. Materials for applications
Applicants must submit the following materials.
(1) Curriculum Vitae with a recent photograph of face, describing present address, phone number, e-mail address, academic career, research career, professional career and others.
(2) List of research activities, including original scientific papers (refereed and non-refereed), proceedings papers, other publications, presentations in scientific meetings, patent and others. Note: names of the co-authors in individual papers should be indicated in appearance order.

(3) Offprints of main published papers (maximum number of papers is three, hard copies are acceptable)

(4) Detail of research experience (about 500 words)

(5) Ambition for future research and education (about 500 words)

(6) Special affairs such as awards and invitation lectures, practical achievements, competitive research funding records

(7) Recommendation document addressing to Prof. Hiroshi MASUYA, Chair of Faculty of Geosciences and Civil Engineering, or document concerning the contact person who can be referred, which contains his/her full name, affiliation and contact address including also telephone number and e-mail address.

(8) Copy or certificate of diploma (MS/PhD)

For (1), (2), (4), (5), (6) above, please fill in the curriculum vitae located at the following URL and submit.

https://www.se.kanazawa-u.ac.jp/en/researchers/koubo-e.html

7. Assessment

After detailed screening of the application documents, selected candidates are requested to interview the assessment committee for the employment. The employment interview includes oral presentation on the research achievement and the future research plan at the university. Applicants have to pay by themselves for travel and other expenses associated with the interview. The result of selection and interview will be informed directly to each applicant. All received materials for the application will not be returned to the applicant.

8. Deadline for application

January 12, 2021

Address

All the materials for the application should be sent to:
Prof. Hiroshi MASUYA, Chair of Faculty of Geosciences and Civil Engineering,
Faculty of Geosciences and Civil Engineering, Kanazawa University
Kakuma-machi, Kanazawa 920-1192, Japan
Phone & Fax: +81 (0)76-234-4603, E-mail : masuya@se.kanazawa-u.ac.jp

Applications should be sent with the red mark -Application to the open position of Faculty of Geosciences and Civil Engineering (Geotechnical Engineering) - on the envelope.
For further details, applicants can contact:

Prof. Masakatsu MIYAJIMA  
Faculty of Geosciences and Civil Engineering, Kanazawa University  
Kakuma-machi, Kanazawa 920-1192, Japan  
Phone: +81 (0)76-234-4656, E-mail: miyajima@se.kanazawa-u.ac.jp

Supplementary information on this employment
(1) The faculty members of the geotechnical section and disaster mitigation section are;
   Prof. Masakatsu MIYAJIMA: Geotechnical disaster mitigation, Lifeline earthquake engineering  
   Assoc. Prof. Shun-ichi KOBAYASHI: Geomechanics, Soil mechanics, Applied mechanics  
   Lecturer Prof. Toshikazu IKEMOTO: Disaster mitigation, Historical heritage disaster prevention  
   Assis. Prof. Akira MURATA: Earthquake geotechnical engineering, Earthquake engineering  
   Assis. Prof. Xi XIONG: Geotechnical engineering, Soil mechanics
(2) The website below gives information about employment regulation.
(3) Kanazawa University also promotes the courses delivered in English under the internationalization policy.
